NOT KNOW THE

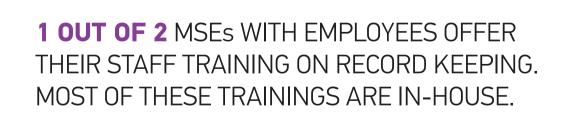

23.6% OF THE MSEs WHO USE COMPUTERS WITH INTERNET RECORD THEIR FINANCES DIGITALLY.

Local Enterprise **Support** Project

2 The MSE survey's target population includes the governorates of Amman (excluding the Greater Amman Municipality), Aqaba (excluding the ASEZA free zone), Irbid, Karak, Tafilah, and Zarqa. Although not national in scope, these areas capture roughly 60% of the kingdom's population. Micro- and small businesses include all businesses and income-generating projects having fewer than 50 employees.
